3D printing trade fair: Impressions from Formnext in Frankfurt

The who-is-who of the additive manufacturing industry meets annually in the cold autumn of Frankfurt at the trade fair Formnext and exchanges ideas and innovations about the latest 3D printing products and technologies. TRUMPF also presents itself here and underlines its claim to be one of the world's leading providers of additive technologies. We'll take you on a short tour of the TRUMPF booth and show you a few highlights.
