The timeline diagram illustrates the growth of Webasto's business over 111 years. It starts with a small square representing the company's beginning in 1901, followed by a horizontal bar extending to 1932. A vertical line marks the year 1950, which is positioned at the 50% mark of the bar. The bar continues to the right, ending at 2012. At the 70% mark of the bar, there is a vertical line labeled 'Webasto' above 'Fraunhofer IGP'. The bar then continues to the end of the timeline at 2012, where it is labeled 'SLV'.
